

# A Regional Approach to Social Dialogue in Industrial SMEs, **RASDI**

The RASDI project is an International Cooperation Action to promote Social Dialogue on SMEs in the Industrial sectors. It is an ambitious project funded by the Industrial Relations and Social Dialogue Programme of the European Union Directorate-Employment, Social Affairs and Inclusion.

The project is carry out by a consortium composed by 4 EUROSMEs Business Associations Members: The Association of Small and Medium Sized Enterprises of the Czech Republic **AMSP CR**, the Association of Small and Medium Sized Enterprises of the Lazio in Italy **FEDERLAZIO**, the Swedish Federation of Business Owners **FÖRETAGARNA** and the Confederation of Small And Medium Sized Enterprises of Aragon in Spain **CEPYME ARAGÓN**, plus the Innovation and the Technological Portuguese Consulting **INNOVA+**. All partners having a remarkable role of skateholders in their countries and with an active participation in Social Dialogue taking place in their regions.

The RASDI project aims to contribute for the improvement of Social Dialogue in the industry, identifying good practices through several workshops and a comparative analysis of industrial relations in 5 EU countries Czech Republic, Italy, Sweden, Portugal and Spain.

Promoting consensus among stakeholders and producing a set of recommendations for policy makers of the European Union. The project is targeted to workers' representatives, public authorities and other regional and European bodies involved in Social Dialogue.
